SPECIAL NOTICE FROM BROWARD HEALTH:

MOBILIZE TO IMMUNIZE: SUMMER HEALTH FAIRS FROM BROWARD HEALTH

Broward Health Community Health Services will host a series of summer health fairs to provide children and their families access to immunizations and school physicals for this upcoming school year. Multiple health fairs are scheduled with Broward Health staff that can accommodate Spanish and Creole speaking families residing in our community.

These immunization fairs are designed to safeguard the health of children against diseases such as pertussis (whooping cough), measles, rubella, influenza and other diseases adversely influencing the health status of school age children.

Listed below are the dates and locations in District III:

Date	Event	Location
July 11	Mobilize To Immunize: Summer Health Fair	William Dandy Middle School Community Health Center
